1. *Are you bigger than a breadbox?*

What's a breadbox?

*You know, the box you put bread in.*

What? That's not a thing.

*Okay, okay. Are you bigger than a toaster?*

Ah, yes, you put bread in that! But no.

*Yes, you are? Or no, you are not? Bigger than a toaster, that is.*

I'm not.

2. *Are you a person, place or thing?*

I'm just wondering — why only those three choices?

*Well what else could you be?*

I don't know, maybe a "concept"? But whatever, I'm a thing.

3. *Are you used in the home?*

I'm not used. Ever. Never ever. Nunca. Jamais. And I don't speak any other languages, but "never" in those too.

*You sound resentful.*

Is that a question?

4. *Are you resentful?*

Hell yeah, I'm resentful.

5. *Why?*

"Yes" or "no" questions only.

*Are you resentful of me?*

Hell yeah, I'm resentful *of you*.

6. *Are you resentful because I get to do things that you don't?*

Like what?

*I'm the one asking the questions here.*

Okay, but I'm just curious. What do you get to do that I would be resentful of?

*I don't know. Go on dates, maybe?*

Oh no. I am thankful I *don't* have to go on dates.

*But in general, is that why you're resentful of me? Because I go do things?*

Nope, that's not why I'm resentful.

7. *Are you resentful because I make more money than you?*

I make money? Where is it? Give me my money!

*So are you resentful that I have money?*

That's a question. Put a number in front of that one.

**8. Fine.**

Thank you. No, I'm not resentful of your money.

*Good looks?*

Number please.

**9. It's 9, and you know it.**

Don't get angry at me. This is your dumb game. But no, I don't think you're good looking.

*What the hell does that mean?*

That's ten. And it's not a "yes" or "no" question.

**10. Everyone tells me I'm good looking. Do you really think I'm not?**

Why are people telling you about your looks? And no, I think you're not.

*I don't know. I'll be at work and I'll just hear people saying I'm handsome.*

How do you know they're talking about you?

*I just know.*

How? If you hear someone talking about a handsome guy you assume they must be talking about you?

*I just know they are.*

But why? Why do you "know" they are?

*I can tell by the way they look at me.*

How — exactly — do they look at you?

*I don't know, flirty?*

Oh man, you're SUCH an asshole.

**11. Are you calling me an asshole? Really?**

I'm not "calling" you an asshole. I "called" you an asshole — back at question 10. We're on 11 now. That's old news.

**12. Why do you think I'm an asshole?**

Yes.

*What?*

Yes. If you're asking me a "yes" or "no" question, then "yes" — again — I think you're an asshole.

***But you already answered that question!***

Not my fault you asked the same question twice.

***But I asked “why” — Why do you think I’m an asshole?***

“Yes” or “no” questions only.

Listen

***Forget the game. Why do you think I’m an asshole?***

Well let's see.

-Reason 1: You think people are flirting with you for no reason.

- Reason 2: You think people are talking amongst themselves about how handsome you are.

- Reason 3: You think you're better than me because you get to do things.

- Reason 4: You assume you make more money than me, *and that I give a fuck.*

Just really ALL signs — all signs point to your being an asshole.

***I’m not an asshole.***

Okay.

***But I’m not.***

If you say so.

***I say so because it’s true.***

Okay.

***It IS true!***

Are you going to stop?

***Not until you admit it’s true.***

Oh god, you ARE an asshole.

And even I — a five-pound dumbbell — can tell that.

***You’re a dumbbell! One of the dumbbells I never use!***

***That’s why you’re resentful. I got it! I won the 20-questions game!***

***In only TWELVE questions. Booyah! In YOUR FACE!***
