If Texas turns blue on [election] night, and its 38 electoral votes go to Biden, then Trump would have no viable path to victory, and the election would be over that night, before Trump’s lawyers can get through the courtroom doors to stop the vote counts in other states. -Beto O’Rourke and Tory Gavito, *Washington Post*, October 2020

Fellow Texans, it’s time we pay the country back, and here is how.

- **For Dubya**
A mission accomplished: Texas Turned Blue.
- **For never shutting up about bluebonnets**
One Biden vote for each wildflower we bragged about.
- **For all the freakin' longhorns**
Trump metaphorically skewered on the horns of Cornyn's Cadillac.
- **For "Don't Mess with Texas"**
Yeah, yeah, it was an anti-littering campaign, but let's all vote blue, just for the misunderstanding.
- **For the religion of football**
Beto is our god now.
- **For all that secession bullshit**
Secession? Are you kidding me? STFU and vote.
- **For Alex Jones**
Conspire to silence that horrible human.
Can't be done? Hand over the electorates, and America will call it even.
- **For our loud, loud voices**
Trump's concession speech in ASMR.
- **For all the guns**
Open-carry Biden to victory.
- **For conversion therapy**
Pray the red away.
- **For those Texas-sized cockroaches**
A perfect "Welcome Home!" gift to Mar-A-Lago.
- **For excessive Texas pride**
A humble offering of electoral votes.

- **For Whataburger fanatics**
Admit it's just a hamburger. Pair the admission with high urban voter turnout.
- **For money, money, money**
Act Blue, Act Blue, Act Blue.
- **For every single thing about Lance**
Doesn't he owe the USPS some real work? 26 mph ballot delivery.
- **For breeding televangelists**
A delicious election day surprise: Joel Osteen + Ivanka Trump sittin' in a tree, K-I-S-S-I-N-G.
- **WTF Astros?**
Steal Trump signs instead.
- **For all the "We're the biggest" braggadocio**
Thirty-eight electoral votes, and we're free to continue running our mouths in Colorado.
- **For Ted Cruz**
Some things just can't be forgiven.
