The King of Kings accepts unsolicited supplications for divine intervention, within the following guidelines:

## **SUBMISSIONS**

Send the prayer verbally, whilst on your knees and/or bowing your head reverently. Do not put your adjuration into writing. Do not submit via song, smoke signal, and *especially* not a yard sign. Our Father hates those things.

Please do not format your entreaty in an unusual way. Just tell God what you need, short and sweet, Amen.

Before submitting, consider whether your appeal is suitable for the Holy One. *Make sure that you have read your Bible before submitting prayer requests so that you have a sense of the kind of prayers the Great Shepherd is after.*

## **TIMELY PLEAS**

If your appeal is timely (and by timely, I mean you're *just about to snort that blow* even though you've been clean and sober for 23 years), please submit by donning your Sunday best, sprinkling incense about you, genuflecting three times, then bellowing:

*Hey God Who Works Wonders!*

*Pressing Desideratum! Pressing Desideratum! Pressing Desideratum!*

You may then proceed to speak your entreaty in a normal voice.

After the first three desiderata cries, please stop yelling. God raiseth the dead — He can *hear* you.

## **MULTIPLE SUBMISSIONS**

Please do not submit to multiple manifestations of God. Whether you send up your request to God the Father, God the Son, or God the Holy Spirit, the prayers all go to the same place. If you're unsure who to pray to, just pick one, and St. Peter will see that it is placed in the proper queue.

Submit only one imploration at a time. Please wait until you receive a response about your current rogation before resubmitting.

## **LENGTH**

Prayer submissions should be a maximum of 50 words, but should be phrased in two words where possible (Examples: "Heal me," "Gimme shelter," "Defund popo").

## **IMPERMISSIBLE PETITION**

At this time, the Highest is *not* accepting petitions for the following:

- Prayers for victory in any sporting event — *God is busy saving sick babies!*
- Prayers for luck in office square pools or lottery draws — *Get back to work!*
- Prayers for the bestowing of material objects, unless those objects are foods, for your hungry children — *You're seriously praying for more shit?*

• Prayers for a President — *Don't you want!*

- Prayers for a President swap — *Don't pray, vote!*
- Prayers preceded by the words "thoughts and" — *Haven't you learned? Yes, people kill people, but people with guns kill a lot more people.*
- Prayers delivered in chains — *Sorry, spam filter.*
- Poetry.
